

GLOBEAIR

The JetCard: Designed for Your Way of Flying.

Structured flying, made simple

Introducing the GlobeAir JetCard

A Simpler Way to Access Private Aviation.

For frequent flyers, GlobeAir offers a Jet Card programme as a structured alternative to Fractional Ownership. Combined with the flexibility of on-demand private jet charters, the DreamTeam Jet Card allows flight hours to be secured in advance through a defined membership. The result is less complexity, fewer decisions, and a consistent way to fly. A simpler, more predictable approach to private aviation.

A white twin-engine private jet is shown in flight, banking to the right. The aircraft is positioned in the center-right of the frame. The background features a vast, mountainous landscape under a golden sunset sky. The sun is low on the horizon, casting a warm glow over the scene. The terrain below is a mix of green and brown, with some clouds visible in the lower part of the image. The text "A new Era of Fractional Ownership" is overlaid in a large, white, sans-serif font across the center of the image.

Fractional Ownership

Your Citation M2 Jet Asset

The GlobeAir Fractional Ownership Program.

Fractional Jet Ownership offers the most cost effective and flexible way to own a private jet without the complexity of traditional ownership. By holding a share in a factory new Cessna Citation M2, you gain real ownership benefits while maintaining full operational freedom.
